

GCSE LEVEL EXAM FEES 2017-18

Since September 2016 many specifications have changed, and several subjects are now a linear course. This means there are few chances at GCSE to re-sit individual units in Year 11, and if pupils wish to re-sit then they have to re-sit the whole qualification. Unit fees can vary due to the number of units in the course.

Any cheques for entries should be made payable to 'CCC' (for Ceredigion County Council). Some of the fees below may be different due to changes in specification – please check with Miss Higson or PJJ.
