This document summarises the WJEC CBAC and WJEC Eduqas Entry Fees for 2016/17. It should be noted that all 2016/17 Entry and Registration Fees apply from 1st September 2016 and assume that there is no change in what aspects of service are paid for by government. The Entry Fees provided for 2017/18 are indicative only, and are subject to normal inflationary change and other change (as indicated in the Entry Fee sections), where applicable.

To assist in reading this document, the Entry Fees for general and vocational qualifications are grouped and listed by subject. Where unit entry is allowable, the unit entry fee is also provided. If the qualification has a double award or short course entry option, the respective double award and short course entry fees are also provided.

3.1 Late, Very Late Entries and Registrations

Centres must submit their entries (and registrations) in an accurate and timely way, to ensure that WJEC is able to provide correct examination and assessment materials and issue examination results on time. WJEC actively encourages centres to submit their entries on time to avoid incurring additional work and cost at WJEC and hence cost to themselves and to allow sufficient time for centres' own self-review.

Entry Deadlines for all 2016/17 qualifications are detailed in **3.1a**, along with the Amendment Window and dates from which Late Fees and Very Late Fees will apply. The table below provides key information on entry terminology:

Terminology

Entry	Candidate is correctly entered with appropriate personal details, qualification entry code and subject/unit entry code information (and Cash-In code where applicable) and entry complies with the related entry rules. A submission that does not have the appropriate information included and that does not comply with the entry rules is incorrect and will be rejected.
Entry Deadline	The final date that entries can be received and processed by WJEC without incurring additional charges.
Amendment Window	The period when centres can make amendments to entries at no additional cost.
Amendment Date	The date by which all amendments to entries must be submitted, to ensure no additional charges will be applied.
Entry Fee	The Entry Fee indicated for the specific qualification or unit.
Late Fee Date	The date from which all entries and amendments will incur a Late Fee charge. The Late Fee is equivalent to 2 times the Entry Fee for that qualification (or unit).
Very Late Fee Date	The date from which all entries and amendments will incur a Very Late Fee charge. The Very Late Fee is equivalent to 2.5 times the Entry Fee for that qualification (or unit).

Centres should be aware that WJEC may refuse late and very late entries for some qualifications if there is a risk to the integrity and security of the examination or assessment delivery or to the processing of timely results.

3.2 Amendments

Non-chargeable Amendments

- Centres can change the personal details for candidates entered for WJEC qualifications up to the Certificate Printing Deadlines outlined below, at no additional charge.

Certificate Printing Deadlines

Series	Certificate Printing Deadline
November 2016	31 January 2017
January 2017	31 March 2017
March 2017	30 June 2017
June 2017	9 September 2017

Chargeable Amendments

- If a centre submits a qualification or unit change (amendment) related to the following outside the amendment window:
 - Tier
 - Subject
- The centre will be charged a fee equivalent to the Late Fee or Very Late Fee (less the standard fee already paid), depending on when the late amendment is made, subject to a minimum amendment fee of £10. For example, an amendment made on 24th October to the tier or subject of an entry for a November series GCSE would be deemed a Late Entry and would generate an additional standard entry fee charge. Similarly, if an amendment was made as late as 1st November, this would be deemed a Very Late Entry and would generate an additional amendment fee equivalent to one and half times the standard entry fee.
- If candidate personal details are amended after the Certificate Printing Deadlines (indicated above), a £10 charge will be applied, to reflect the additional time and materials required to issue a revised certificate. Please note that personal details may only be amended via this route up to 12 months after certificate issue. If centres wish to amend personal details after this date, they will need to follow the replacement certificate process outlined WJEC's public website.

3.3 Late Cash-In (Aggregation) Fee

Where required, centres should include the appropriate Cash-In code for a qualification when submitting their entries to WJEC. If a Cash-In code is subsequently submitted by the Amendment Date, then no additional charge will apply. If the Cash-In code is submitted after the Amendment Date, the following fees will apply:

Late and Very Late Cash-In

Cash-In received after Amendment Date	Late	£10.00
Cash-In received between publication of results and the EAR deadline	Very Late	£20.00

Please note that Cash-In codes need to be applied to some subjects in the following Qualifications:

- GCSE (but not for linear GCSEs, which include all WJEC Eduqas GCSE 9-1 qualifications)
- A Level (but not for WJEC Eduqas reformed A levels, which are linear)
- Functional Skills
- Entry Pathways
- Level 1 / 2 and Level 3
- Welsh Baccalaureate
- Yr Iaith Ar Waith

3.4 Entry Withdrawal

If centres withdraw a candidate, subject or unit after the amendment date, in most cases the entry fee will not be refunded.

Where centres are waiting on candidate examination results for the GCSE January series in order to decide whether those candidates also need to be entered for the GCSE summer series examinations, centres must enter **all possible candidates** by the entry deadline for the summer series. Centres can then withdraw candidates, as required, during the amendment window, once January examination results are published early in March: in these circumstances, the entry fee will not be charged.

Where a candidate is unable to sit an examination due to ill health or bereavement and a centre communicates this formally to WJEC within 2 weeks of the examination date (along with an accompanying medical certificate for ill health cases), WJEC may refund the candidate entry fee. Eligibility for refund will be considered on a case by case basis.

In situations where candidates are deceased prior to an examination sitting, the centre should provide a formal letter communicating this to WJEC so that we can respond appropriately in relation to fee refund and other matters.

All correspondence relating to the above should be sent to:

entries@wjec.co.uk or Entries, WJEC CBAC Ltd, 245 Western Avenue, Cardiff, CF5 2YX.

3.5 Transfer of Candidates

Where a candidate is entered for an examination at one centre and then needs to take the examination at an alternative UK or Non-UK centre*, the following fees will apply:

Transfer fees

Candidates sitting examinations at UK centres	£27.00
Candidates sitting examinations outside of the UK	£54.00

*Please note that the candidate must also meet the relevant JCQ requirements for transfer candidates.
