

Dear Parent/Guardian,

I am getting in touch to let you know that a Careers Fair has been organised for the 28th February for any student in year 12 or 13 who may want to consider work or an apprenticeship after leaving school rather than going straight to university. The time slot that we have for this event is from 2 until 4 pm and the Fair will be held at Aberystwyth University.

We have 40 places available. If you think this would be of interest to your son/daughter then please encourage him/her to sign up via the sixth form office. There will be representatives from all sorts of sectors at the Fair – Health Care, trades, police – I attach details of the sectors represented. It may be possible to arrange a work experience placement for interested students. This can be discussed with the organiser on the day. We are very grateful to Emma Thomas from Aber Instruments for her hard work in organising this event.

I do hope that this will prove to be a beneficial experience for all involved. Please do not hesitate to contact me at the school should you require any further information.

Regards,

Kate Brown
