Dear Parents/ Guardians,

It has been brought to our attention that some of our older students are attending parties outside of school hours, mixing with students from other schools and not adhering to any Covid-19 regulations (<https://gov.wales/coronavirus-regulations-guidance>). The community has also expressed concern about young people gathering in places like the skate park, again without adhering to the regulations.

We appreciate that it is a difficult time for all and that the current Covid-19 regulations does limit many of the freedoms that are part of young people's life experiences. However, at a time when positive tests are increasing in the community it is more important than ever that everyone does adhere to the guidelines.

We are working extremely hard in the school to prevent any in-school transmission and you will be aware of all the precautions that have been put in place. This is so that we can ensure the safety of all in our community as well as to avoid any disruption to our students' education. Should there be a positive case within parties, this would impact on all the young people involved in the party as well as potentially the school environment.

The Covid-19 regulations are there to protect everyone in the community. Please discuss these with your child and help everyone ensure that the community remains as safe as possible. Thank you for your co-operation.

Yours sincerely,

Ms M Hughes
Pennaeth / Headteacher
