

Following the rise in Covid cases in Ceredigion, we are making the following changes to our policy on face coverings

This is to help keep YOU safe, and

help protect OTHERS

**These measures start straight away,
today – Wednesday**

The policy remains under review

In all canteen areas (Canteen, Small Hall, Main Hall) – face coverings to be worn unless you are eating your meal or drinking, at all other times face covering is to be worn.

Face coverings should be worn on your way to and from these areas, and when queuing up for food / using card to purchase food.

In all outdoor areas (Courts, Marquee, Bus Area, grass areas) – face coverings to be worn unless you are eating your meal or drinking, at all other times face covering is to be worn.

There are schools that already have face coverings worn in outdoor areas, at break and lunchtimes.

In the sixth form centre – face coverings to be worn unless you are eating your meal or drinking in your year group room, at all other times face covering is to be worn.

In all corridors, toilet areas – face coverings to be worn at all times, and make sure you are following the one way system correctly

Lesson routine

Start of lesson

Face coverings need to remain on when you enter a classroom, sanitise hands, sit down and then get books and equipment out. Face coverings may be removed when you are seated and ready to start the lesson.

End of lesson

Face coverings are to be put on BEFORE you pack books, equipment away and before you wipe the chair down. The covering then remains on until you are ready to start the next session.

End of the day

If travelling by bus – face coverings remain on until you are off the bus, or later

If walking – face coverings are to remain on until you have left the site, or later

HM Government

**Face
coverings
protect
others**
