Ysgol Penglais School Educational Visits Policy & Procedures

At the start of each school year parents/guardians will be sent an outline of all visits for the year group, including estimated costs. Parents/guardians will also be given a list of routine visits for the year and asked to give permission for these activities as well as identifying any medical / other needs for their child(ren). It is essential that any medical / other needs are clearly stated by parents/guardians.

- Activities listed as routine visits can be approved in school and EVOLVE is not used
- All non-routine visits need to be planned and approved on EVOLVE.

The final approval deadlines are no later than –

Routine visits – a minimum of 7 days

Non-routine and overnight non-adventurous visits – a minimum of 14 days

Visits to demanding / adventurous activities – a minimum of 14 days for Head Teacher and Local Authority approval.

Overseas visits – Local Authority outline permission and a minimum of 28 days for Head Teacher approval and Local Authority approval.

Unless non-routine visits have been submitted and approved on EVOLVE, they are not to take place.

The educational visits policy produced by Ceredigion County Council contains lots of information on planning, risk assessing and evaluating educational visits. The main staff involved in supporting visit leaders with these processes in school are:

Mr P Jones – Educational Visits co-ordinator

Mrs M Williams – Finance Manager

Mrs E Rhodes – Cover Manager

Ms M Hughes – Head Teacher

To help visit leaders in planning visits the following forms are to be used

- Outline Approval Visits Application Form (for all visits)
- Routine Visits – Visit Leader Planning Form
- Routine Visit Checklist
- Educational Visits Checklist

Reminder: Completion of these forms do not give automatically give permission for a visit to go ahead. It is only when it is confirmed by the educational visits co-ordinator or through Evolve following Head Teacher / County Council Advisor approval that visits can go ahead.

These forms are on the school 'T' drive, under All Staff Resources, Health and Safety and Educational Visits, Educational Visits, Visits 2021-22.

Summary of policy

This document sets out the procedures by which Ceredigion County Council and its educational establishments meet the standards set out in the OEAP *National Guidance for Educational Visits*, recognised as *best practice* by the Welsh Government

This school/establishment follows the LA procedures for educational visit planning, approval and monitoring by using the [EVOLVE](#) on line visit planning and approval system for all visits run by school/establishment staff or volunteers.

Staff planning an educational visit must ensure that they follow the procedures set out in this policy. Staff should also refer to and follow the relevant guidance (relating to the nature of the visit being planned) as set out in the Outdoor Education Advisers' Panel (OEAP) National Guidance for Educational Visits www.oeapng.info

Anyone organising an off-site visit for young people from Ceredigion County Council should also refer to and follow the relevant guidance (relating to the nature of the visit being planned) as set out in the Outdoor Education Advisers' Panel (OEAP) National Guidance for Educational Visits www.oeapng.info

This policy is reviewed annually or following any accident / incident on an educational visit.

1. Foreword

Ceredigion's educational trips and visits have a vast and valued reputation in promoting opportunities for children and young people that are varied, empowering and inspiring.

Young people benefit significantly from participating in visits to establishments and venues that complement their learning. Not only does it further promote the school/ establishment's curriculum, participation in educational visits also provides learners with opportunities they may not have experienced before, providing them with important life-skills, developing their interpersonal skills and broadening their horizons.

Staff also benefit from educational visits as the experience can improve professional relationships, enhancing the respect between staff and young people, promoting variety, wellbeing and enthusiasm for their work and in many cases acting as good practice for CPD.

This document sets out planning and approval procedures that aim to help staff involved in visits, to plan and deliver high quality and safe external visits – be it a regular visit to a nearby park or an overseas trip.

I would like to take this opportunity to express my gratitude to all staff who engage in activities with children and young people for their dedication, commitment and professionalism. Their work ensures that young people across the County are given the opportunity to take part in such beneficial educational visits. These procedures are primarily aimed at supporting them in this valuable work.

Elen James
Corporate Lead Officer - Lifelong Learning and Culture.

Ceredigion County Council - Promoting the Welsh Language

Ceredigion is rich in tradition and Welsh culture, and the Welsh language is an important element of the county's cultural identity. Welsh-speaking and bilingual communities form the basis of its culture and everyday life. The education service is crucial for the production of Welsh-speakers for the future and is therefore fundamental for the viability of the native language. The Education Service has a key role in promoting the language, and to try to maintain and expand the use of the language in all aspects of school life, extracurricular activities including educational visits. Ceredigion operates the Welsh in Education Strategic Plan 2017-2020, and its priority is to ensure that more pupils receive their education through the medium of Welsh. The aim is to educate pupils so that they are thoroughly bilingual by the time they leave statutory education. In this way pupils will find that they are able to participate fully in the bilingual community of which they are a part thus nurturing a pride in the languages, heritage and culture of Ceredigion and Wales.

In Ceredigion, children and young people should be offered a range of opportunities, whereby they are able to use their Welsh language skills outside the classroom, thus ensuring that they have the confidence to use their Welsh language skills in all walks of life. The education service, partner organisations and other providers should aim to strike an appropriate balance between formal and informal events, creating contexts in which the use of Welsh occurs naturally, and taking action to normalise the language and improve its prestige.

2. Roles and Responsibilities

Visit Leader

The designated person responsible for the Visit and who will have overall responsibility for the safety and conduct of participants and the Visit Leadership Team. Visit Leaders will need to obtain the Head/Educational Visits Coordinator (EVC)'s approval for the visit according to school/centre policy; They will need to obtain Local Authority (LA) leader approval if leading any adventurous/ demanding environments visit for which LA approval is required (Please see section on LA Approval)

Key Requirements

- Must be competent to lead, confident and accountable, not that they hold a particular post, title or job description.
- Visit leader should have the ability to lead to the level demanded by the visit, and has sufficient relevant experience and knowledge of the activities, the group, and the environments they will operate in.
- Undertake and complete the planning and preparation of the visit, including the briefing of group members and parents/carers;
- Ensure the ratio of staff to young people is appropriate for the environment/activities and the needs of the group;
- Identify significant hazards and safety measures to reduce risk to a tolerable level, and make known to parents, EVC and Head and others the level of residual risk that needs to be managed;
- Have enough information about the young people to assess their suitability for the visit or be satisfied that their suitability has been assessed and confirmed;
- Ensure that all accompanying leaders are familiar with these procedures;
- Make appropriate and adequate preparations for emergencies in conjunction with the EVC
- Carry out dynamic risk management while the visit takes place and consider stopping the visit if the risk to the health or safety of the young people is unacceptable and have in place procedures/alternative plans for such an eventuality
- Ensure that the provision is suitable for all, i.e. ensuring equal access to all 'services' and meeting the needs of all children and young people in Ceredigion.
- 'Reasonable Adjustments' will need to be made to the visit in order to ensure that children and young people who have disabilities are not disadvantaged.
- The visit must adhere to the objectives set within Ceredigion's Strategic Equality Plan.

Educational Visit Coordinator

A key element of these procedures is that each school/establishment has a competent **Educational Visit Coordinator (EVC) who has completed the county EVC training course**. Due to the nature of the role the EVC must be an experienced member of staff:

- **who is part of, or able to influence, the Senior Management Team;**
- **with sufficient authority to make a judgement call about the competence of any other staff member to lead an off-site visit and to approve or decline visits planned by any staff member;**

The EVC is the routine contact for dialogue with the LA Outdoor Education/Educational Visits Adviser.

Key Requirements of the EVC:

- Ensure that all visits are planned and approved in accordance with this policy;
- Support the Head and Governors with approval decisions;
- Assign competent people to lead or otherwise supervise a visit;

Ysgol Penglais School Educational Visits Policy & Procedures

- Carry out occasional monitoring of visit leaders to identify further training needs;
- Work with the visit leader to provide parents/carers with information about the visit and obtain the necessary consent from parent/carers;
- Ensure emergency arrangements and contacts are in place for each visit;
- Keep records of individual visits including what worked well, what didn't and any accident/incident reports
- Ensure that the provision is suitable for all, i.e. ensuring equal access to all 'services' and meeting the needs of all children and young people in Ceredigion.
- 'Reasonable Adjustments' will need to be made to the visit in order to ensure that children and young people who have disabilities are not disadvantaged.
- The visit must adhere to the objectives set within Ceredigion's Strategic Equality Plan.

In Ysgol Penglais School the EVC is Mr P J Jones

Head Teacher

Heads/Managers should have an establishment visits policy and procedures that conform to and follow the requirements and recommendations of their employer's guidance and ensure that arrangements are in place for the educational objectives of all visit to be inclusive. They will need to ensure that arrangements are in place for the governing body to be made aware of certain visits and ensure that visit arrangements and outcomes are evaluated to inform future visits and staff training needs.

Key Requirements of the Head Teacher

- Be aware that the appointment of an Educational Visits Coordinator (EVC) is critical to the implementation of this guidance and should be allowed sufficient time to fulfil the role, including attendance at OEAP-approved training. Head Teachers may choose to designate themselves as EVC.
- Approve visit for **all** educational visit prior to visit date as set out in the table below
- Ensure that proper and effective support structures in the event of emergency or critical incident including means of contacting the relevant officers LA Education Officer (Schools) or Principal Youth Officer (Youth Service) or emergency planning team and arrange for the reporting of accidents and incidents as required. Records of these should be reviewed regularly, and this information used to inform future visits
- Where needed, have access to expert advice from their Educational Visit adviser
- Ensure that the provision is suitable for all, i.e. ensuring equal access to all 'services' and meeting the needs of all children and young people in Ceredigion.
- 'Reasonable Adjustments' will need to be made to the visit in order to ensure that children and young people who have disabilities are not disadvantaged.
- The visit must adhere to the objectives set within Ceredigion's Strategic Equality Plan.

The Head teacher has responsibility to ensure that any changes to their EVC is notified to the Education Visit Advisor so that he or she can take steps to train their replacement as soon as practicable.

Governing Body

Members of the Governing Body should view their main role as being 'to enable and ensure' that staff are fully aware of the employer's responsibilities under Health and Safety Law and that the establishment have formally adopted the Education Visit Policy and that they have a robust system to support the implementation of the policy.

Key Requirements

- They challenge in order to be clear about of how outdoor learning and visits lead to a wide range of outcomes for children and young people and contribute towards establishment effectiveness.

Ysgol Penglais School Educational Visits Policy & Procedures

- They ensure that the Educational Visit policy and procedures are fully implemented (including emergency procedures – and it supports the principles of inclusion)
- The involvement in Board/Governing Body in the visit approval process is clear and approval and notification procedures operate effectively
- Ensure there is a trained EVC who meets the employer's requirements, with a sufficient time allowance to fulfil the role and training to support the planning and delivery of visits and outdoor learning.
- There are monitoring procedures in place, activity is evaluated, good practice is shared, and any issues are followed up to comply with statutory and employer's requirements.
- Ensure that the provision is suitable for all, i.e. ensuring equal access to all 'services' and meeting the needs of all children and young people in Ceredigion.
- 'Reasonable Adjustments' will need to be made to the visit in order to ensure that children and young people who have disabilities are not disadvantaged.
- The visit must adhere to the objectives set within Ceredigion's Strategic Equality Plan.

Educational Visit Advisor – Ceredigion County Council

The Educational Visits Advisor fulfils the following statutory Council functions to supports the LA to meet its legal responsibilities and powers with regard to off-site and educational visits delivered to young people by its employees. We provide expert advice on safety and quality of educational visits and on risk management in the context of all educational visits, and on behalf of the Local Authority approve (or disallow) visits for which LA approval is required these including adventure activities, expeditions and overseas visits. We monitor standards of Health and Safety management in off-site activity and educational visits, including observing activities and visits and ensure that adequate and appropriate training is available and taken up by relevant employees.

Key Requirement

- Ensure that EVCs, visit leaders, other school/centre staff and other adults involved in educational visits are assessed as competent in their specific tasks.
- Ensure that adequate and appropriate training is available and taken up by relevant employees;
- Ensure that LA guidance on Health and Safety of pupils on educational visits is provided to all LA educational establishments and is kept up to date with current best practice, including lessons learned from incidents in Wales and beyond.
- Determines which visits will require LA approval and which may be approved by the educational establishment and fulfils the LA's approval role for specified categories of educational visits.
- Verifies the competence of LA employees who wish to lead visits in any of the areas or activities for which LA approval is required
- Offers relevant training, advice and support to all educational establishments on the Health and Safety of pupils on educational visits and other matters relating to safety and quality in Outdoor Education.

2. Summary of Procedures

PARENT / CARER CONSENT

Informed parent/carer consent must be obtained for all visits. For routine visits i.e. those listed on your Routine Visit Consent Form (or annual letter to parents) blanket consent is obtained when the forms are returned by parents.

For non-routine visits i.e. overnight/ adventurous, consent is obtained for each visit (or series of repeated visits) using a Non-routine Visit Parental Consent Form or Adventure Activities Consent form. An example of a non-routine visit parental consent form can be obtained from the Evolve system by clicking on resources and then 'Forms'.

If parents/carers withhold their consent the young person must not be taken on the visit but the curricular aims of the visit should be delivered to the young person in some other way wherever possible. If the parents/careers give a conditional consent the Head will need to consider whether the young person may be taken on the visit or not.

Safeguarding

All staff are responsible for safeguarding and protecting children that attend their activities. If there are concerns about neglect or physical, emotional, sexual or other forms of harm, then staff have a duty to report and respond to any concern in accordance with the school child protection policy. Mrs N M Thomas is the child protection officer in Penglais School

Inclusion

The overarching principle is that all students should be included in all education activities and experiences. The law requires that 'reasonable adjustments' are to be made to include pupils with additional support needs. This might include amendments to the programme, location, additional staffing. The Health and Safety of all students and staff on visits must also be considered. If a student does not behave on the school site there is no automatic right to be taken on off-site activities.

When a visit or activity is being planned, all reasonably practicable measures must be taken to include any student. Every reasonable effort should be made to find a venue and activities that are both suitable and accessible and that enable the whole group to participate fully in the planned activities and be actively involved. The principles of inclusion should be promoted and addressed in policy and practice, ensuring:

- An entitlement to participate.
- Accessibility through adaptation or modification, including the provision of auxiliary aids and services.
- Integration through participation with peers.

However, it may not be possible to make reasonable adjustments to include a student in a specific visit or activity, perhaps because of a severe disability or issues with behaviour.

A decision to exclude a student from an educational visit will not be taken lightly, and will only be taken after

Ysgol Penglais School Educational Visits Policy & Procedures
a risk assessment, this may include consultation with the Visit Leader, Head of Year, EVC, Head Teacher, EVC, Support staff, Parents, any third-party provider, as well as seeking advice from the Education Visits and Health and Safety Advisers. If the risk assessment shows it is not possible to take a student on an educational visit after examining reasonable adjustments, the rest of the group should not be deprived of worthwhile opportunities.

Charging for Activities

Schools and Education Establishments must take account of the law relating to charging for school activities, as set out in the Education Act 1996. Schools and local authorities **must not** charge for:

- Education provided during school hours
- Education provided outside school hours if it is part of the National Curriculum, or part of a syllabus for a prescribed public examination that the pupil is being prepared for at the school, or part of religious education.
- Transport provided in connection with any educational visit of this type.
- Supply teachers to cover for teachers who are away from school on a visit

Voluntary contributions can be asked for.

Schools **may** charge for optional extras, which include, education provided outside of school time that is not:

- a) Part of the Curriculum.
- b) Part of a syllabus for a prescribed public examination that the pupil is being prepared for at the school.
- c) Part of religious education.
- d) Board and lodging for a pupil on a **residential visit**, except to parents in receipt of certain benefits (broadly equivalent to those that qualify children for Free School Meals).
- e) Extended day services offered to pupils (e.g. activity clubs)
- f) Schools must inform parents on low incomes and in receipt of relevant benefits of the support available to them when they ask for contributions.

Using an Independent Provider – pre-booking checks (LOtC or IPQ)

For any off-site visit, the visit leader should check that the location/venue and activities offered are educationally suitable for the group and will meet the aims of the visit. Check that any provider offers good value for money by comparing with other similar providers. Remember that there is no substitute for first hand, up to date information. This level of pre-booking check is sufficient for visitor attractions and public access venues such as zoos, historical/cultural sites, museums, sports stadia, theatres, cinemas, hotels, bowling alleys, theme parks, and public access (lifeguarded) swimming pools or similar.

When using a specialist venue or activity provider e.g. outdoor activity provider, farm visit or similar please apply the following guidance before signing any booking form or contract:

If the provider has the LOtC quality badge (Learning Outside the Classroom Quality Badge accreditation)
The Quality Badge providers have pledged to engage in an ongoing process to sustain high-quality learning outside the classroom and who have demonstrated that they meet six quality indicators

1. has a process in place to assist users to plan the learning experience effectively;
2. provides accurate information about its offer;
3. provides activities, experience or resources which meet learner needs;

Ysgol Penglais School Educational Visits Policy & Procedures

4. reviews the experience and acts on feedback;
5. meets the needs of the users;
6. has safety management processes in place to manage risk effectively.

LOtC badge holders do not need to complete the Independent Provider Questionnaire

Providers who are not LOtC holders will need to complete the **Independent Provider Questionnaire** (which can be downloaded from the [EVOLVE](#) system's Resources/Forms section) and check that this has been satisfactorily completed by the provider before you book. This requires them to confirm that they have risk assessments in place for all activities/services that they provide and that these are available to view at the premises on request. Please note that there is no need to obtain copies of the provider's risk assessments. Seek specialist advice on any concerns arising from the provider's responses by contacting your LA Outdoor Education Adviser.

Local Authority (LA) leader approval

Who needs LA leader approval?

LA or school employees or volunteers who wish to lead in any of the demanding environments or adventurous activities for which LA approval is required must first be confirmed as technically competent to lead by the Outdoor Education Adviser.

Prospective leaders must seek LA leader approval through their own Evolve log-in via the '**My details/awards**' section. In order to be granted approval the applicant must have all of the following:

- **Either** a) the relevant National Governing Body (NGB) leadership award for the terrain/activity **or** b) have a written and signed statement of competence by an appropriate technical adviser verifying that the leader has the relevant technical and group management skills for the terrain/activity (see below for how to arrange technical adviser approval).
- Recent and relevant experience
- A current first aid certificate or qualification
- Support of the Head Teacher

[To arrange technical adviser approval the EVC must identify an appropriate technical adviser who is willing to make a signed statement of competence for the visit leader. Technical adviser approval is normally given only if the following conditions are met:

- The leader has completed a training course in the relevant NGB leadership award where one exists (or has undergone other appropriate training)
- The technical adviser has made a practical assessment of the leader and can confirm that they are operating at the standard of the relevant NGB leadership award or at a suitable level for a site-specific approval to be given.]

Depending on depth of experience and technical skill, leaders may be given approval to lead either:

- the activity/activities at specific, named venue(s) at any time for the duration of the approval period;
- or:
- the activity/activities at all venues that are within the remit of their competence at any time for the duration of the approval period.

The Outdoor Education Adviser will notify the individual and their EVC of their LA leader approval decision and this will be recorded in the individual's '**My details**' section of the EVOLVE system. This can be viewed at any time by the individual, their EVC or Head.

DofE Award groups / Unaccompanied Expedition groups

Anyone planning a DofE Award expedition or unaccompanied expeditions should read the **Guidance for unaccompanied Expeditions on EVOLVE as this document is intended to set a benchmark for good practice for all involved and** to ensure that the Expedition meets the requirements of the Local Authority. It is best practice to have a lead Expedition / Visit leader who holds the overview of the whole expedition and an appropriately competent deputy. Schools need to ensure that staff involved in remote lone working during expeditions are competent and aware of the safety implications including emergency procedure and relevant issues.

Joint visits or collaborative visits planned with or by another establishment or organisation

Any visit or activity involving young people from your school/establishment, or where young people have been recruited through your school/establishment should be treated as one of your own visits **even if another school/establishment or external provider is taking the lead role in organising the visit.**

Examples include:

- Sports fixtures/tours where your school/establishment has made students/parents aware of the opportunity but where the tour is being staffed by other adults (e.g. sports coaches, Local Authority staff, Urdd staff, PTA Groups or similar)
- Collaborative visits with another school/establishment
- DofE Expeditions where students from your establishment are joining another establishment's expedition

For these visits, the young person's EVC and Head Teacher **must be able to evidence that they have:**

- Ensured that all aspects of planning for the visit meet the County requirements for visit planning and approval (another school/establishment may carry out this planning and approval if they are taking the lead role but if this is the case, the visit plan must include all young people and staff attending the visit from all schools/establishments involved and you must view and approve the visit plan)
- Been sufficiently involved in planning for the visit to ensure that the risk management and pastoral care arrangements (including an appropriate level of 24/7 supervision) are appropriate for the students attending from their establishment
- Checked that the planned activities are appropriate for the students from their establishment
- Ensured that parents are made aware of the arrangements for supervision and the activities planned and have given their consent to this
- Satisfied themselves that any activities being provided are being delivered by a suitably competent and insured activity provider or leader
- Satisfied themselves that the staff leading the visit are competent to do so e.g. confirmation by another school / establishment Head Teacher
- Ensured that the supervisory staff for the visit are made aware of any relevant additional needs **(including medical/dietary/behavioural)** for the students taking part from their establishment
- Ensured that appropriate support will be provided by the visit leaders to manage any additional needs effectively
- Ensured that they can be contacted in the event of an incident, accident or other emergency

Guidance of the Management of cross county collaborative visits e.g. Ski courses

The following guidance ensure that best current practice is followed on cross county collaborative visit

Payments:

- All payments must be made via school payments system by setting up a holding account code for the trip.

Ysgol Penglais School Educational Visits Policy & Procedures

- Monies can then be paid into this by the individual schools
- Payments to any provider can be made from this account
- If there is an administration charge to the participating schools this should be agreed and transparent

Trip Management

1. Participating schools and parents must be made aware of the collaborative nature of the trip and the payments pathway and the booking process
2. Any provider must be made aware of the collaborative nature of the trip and issue insurance/guidance etc. on a school by school basis. This can be done via organising school
3. Each school must send the appropriate number of staff to enable them to supervise their students
4. Staff from participating schools school meet prior to the trip leaving and agree the content of a joint risk assessment for supervision of students. (Template for this Risk assessment can be found in section C)
5. Parents must be made aware of the number of schools that are going and that their children may be supervised by staff other than those from their school
6. Participating schools can complete a collaborative visit form on Evolve form for the trip and gain the normal LA permission for an Adventurous/Overseas trip. **Please contact your advisor for further guidance**
7. The Education Visit Advisors must be informed of all participating schools early in the booking process so as to have an overall picture when approving individual schools

Blanket approval

Blanket approval may be given:

- by Head Teachers for staff to run routine visits
- by the LA for those staff who have gained LA leader approval (see 6 below)

For visits that have been given blanket approval, the visit leader and EVC must ensure that relevant information is left with the school/establishment emergency contact including details of the venue, activity, group, transport, start/finish times and other relevant information for **each** visit.

Educational Visit and the threat of terrorist attacks

A heightened state of vigilance continues to be required for all educational visits. We advise to exercise caution in public places and parental concerns should be respected. For up to date guidance please visit [EVOLVE](#) system's and the Guidance section.

Schools should consider a risk / benefit analysis of trips and clarify:

- a. Why? - Is it part of the curriculum /necessary or a reward trip?
- b. Where? The Environment - Urban/cities/theme parks/outdoor activities
- d. Transport? Public/Private/walking/
- c. Visit Programme and Learning Outcomes

Schools should consider the following points in relation to any visit:

- Headteachers/ EVC's, Visit Leaders and accompanying staff should refresh their current knowledge of the OEAP visits guidance www.oeapng.info
- Review their visit itinerary and risk assessments (e.g. keep movement around large cities at least to a minimum) to ensure the Visit Leaders remain confident in running the trips.
- The UK Government has provided specific <https://www.gov.uk/guidance/reduce-your-risk-from-terrorism-while-abroad> for travel abroad. The general principles within this guidance should be considered for any off-Island visit.

Ysgol Penglais School Educational Visits Policy & Procedures

- Visit staff should watch the [Stay Safe video](#) and ensure they are aware of the emergency number(s) in the relevant country(ies).
- Remote supervision management in all cities, travel hubs and crowded public spaces should be reviewed; close supervision is likely to be more appropriate, with very clear boundaries, known meeting points with plan B meeting points also in place (the impact of even a false alarm on a group that is separated could be significant). All staff and students need to be aware of the emergency contact arrangements.
- Visits Leaders need to consider allowing more time for increased security checks (at borders, events, etc.) and the impact this may have for example at air/ferry ports and other travel hubs. Those non-EU passports may experience further disruption and this needs to be considered during the planning stages.
- Before and during any visit abroad, the Foreign and Commonwealth Office (FCO) website, <https://www.gov.uk/foreign-travel-advice> should be regularly checked for the country/ies being visited or transited.
- There should always be access to contingency funding arrangements and plan Bs in place should the need arise to make changes to itineraries. Visit leaders and schools must consider how they might manage total travel disruption and mobile/communication interruption.
- Designated 24/7 home base emergency contacts must (as always) ensure they have all necessary documentation for the respective trips and make arrangements to remain in contact with visit leaders throughout the trip.
- When arranging foreign travel, staff should always ensure they have an out of hours contact for any booking agents and/or third-party provider(s).
- The Education Department's Critical Incident plan would be implemented if schools were beyond their coping mechanisms. Departmental Senior Management and Key Officers have access to documentation provided by schools for trips via Evolve.
- The school needs to be satisfied with revised control measures and any identified changes to the itinerary and the visit team must still feel confident in leading the visit, not dictate on whether an insurance company will pay out or not.

Special arrangements for overseas expeditions (i.e. expeditions to developing countries involving trekking or other adventure activities)

Initial LA approval must be obtained before booking. Initial LA approval can be sought by completing and sending form OE1 (along with attachments listed on Form OE1) to the Outdoor Education Adviser at the address listed on Form OE1. Form OE1 can be downloaded from the [EVOLVE](#) system's Guidance and Resources/Forms section. Final LA approval for the expedition must be obtained on the Evolve system at least 8 weeks before the expedition start date.

6. Record keeping

Routine visits

A copy of the completed *Form 2: Routine visit planning form* should be kept on file for 5 years for each routine visit (electronic file storage or hard copy are both acceptable).

Visits planned on Evolve (non-routine visits)

Ysgol Penglais School Educational Visits Policy & Procedures

The EVOLVE system acts as a record for any visit planned and approved on the system.

Schools/establishments therefore only need to retain the following details for any particular visit:

- List of participants
- Parental consent forms (NOTE: these can be destroyed 3 months after the visit if no accidents or incidents have been reported)
- Where an accident or incident has been reported the school/establishment should retain the parental consent form for the student(s) involved.
- If there has been an accident/incident on a visit, schools/establishments must ensure that the LA is notified according to LA procedures. The LA will keep accident/incident records until the student reaches age 21 (or for 3 years in the case of an adult). Schools/ establishments therefore do not need to retain records of accident/incidents reported to the LA unless they wish to do so for their own purposes. If a visit leader or school/ establishment receives notification of a claim they should not respond directly but should pass the details to the LA claims manager/insurance section.

In addition, schools/establishments should archive in the school/ establishment records a copy of their:

- Educational visits policy – dated so that the version current at the time of any visit can be traced;
- standard risk management procedures dated as current at the time of the visit;
- records of staff competence and training (perhaps as part of the appraisal/performance management records).

This information should be kept for 5 years after which it may be destroyed.

7. Monitoring

Internal monitoring by the Head Teacher / EVC

The Head/EVC must monitor visit leaders from time to time to ensure compliance with school/establishment policy.

Monitoring by the Head Teacher / EVC should include:

- scrutiny of standards of visit planning and organisation as part of the visit approval process
- occasional observation of visit leadership

Following any observation of visit leadership, it is good practice to provide the visit leader with verbal and written feedback and recommendations for further training if necessary. A copy of the observation report should be given to the visit leader and another copy kept on file by the school/establishment.

Monitoring by the LA

The LA will monitor schools/establishments on a 5-year cycle to ensure compliance with LA guidance. Monitoring will be done via the Evolve system and visits to establishments.

Review

Feedback from monitoring will be used to review procedures in order to ensure that they meet the standards expected for off-site visit organisation and leadership and to identify further training needs for visit leaders and/or EVCs.

DOES A PROVIDER HOLD A LEARNING OUTSIDE THE CLASSROOM QUALITY BADGE?

The screenshot shows the homepage of the Learning Outside the Classroom Quality Badge website. At the top left is the logo for the Council for Learning Outside the Classroom. A navigation menu includes links for Accessibility, Assessors, Contact Us, Login, Print This Page, and Save Page as PDF. Below the menu is a horizontal navigation bar with links for Home, Quality indicators, How to apply, Self Evaluation Form, Search for a Quality Badge holder, and Help and support. A large banner image depicts silhouettes of children engaged in various outdoor activities like climbing, cycling, and playing. Below the banner are two main buttons: 'APPLY FOR A QUALITY BADGE' and 'SEARCH FOR A QUALITY BADGE HOLDER'. The main content area features a 'Welcome to the Learning Outside the Classroom Quality Badge website' message, followed by a paragraph explaining that the Quality Badge provides a national accreditation for Learning Outside the Classroom provider organisations. A final paragraph mentions that widespread consultation revealed the need for a common scheme to assure the quality of educational experiences.

- **Final approval** on the Evolve system at least 8 weeks before the visit

Visits that have not been approved by the LA on the Evolve system MUST NOT TAKE PLACE.

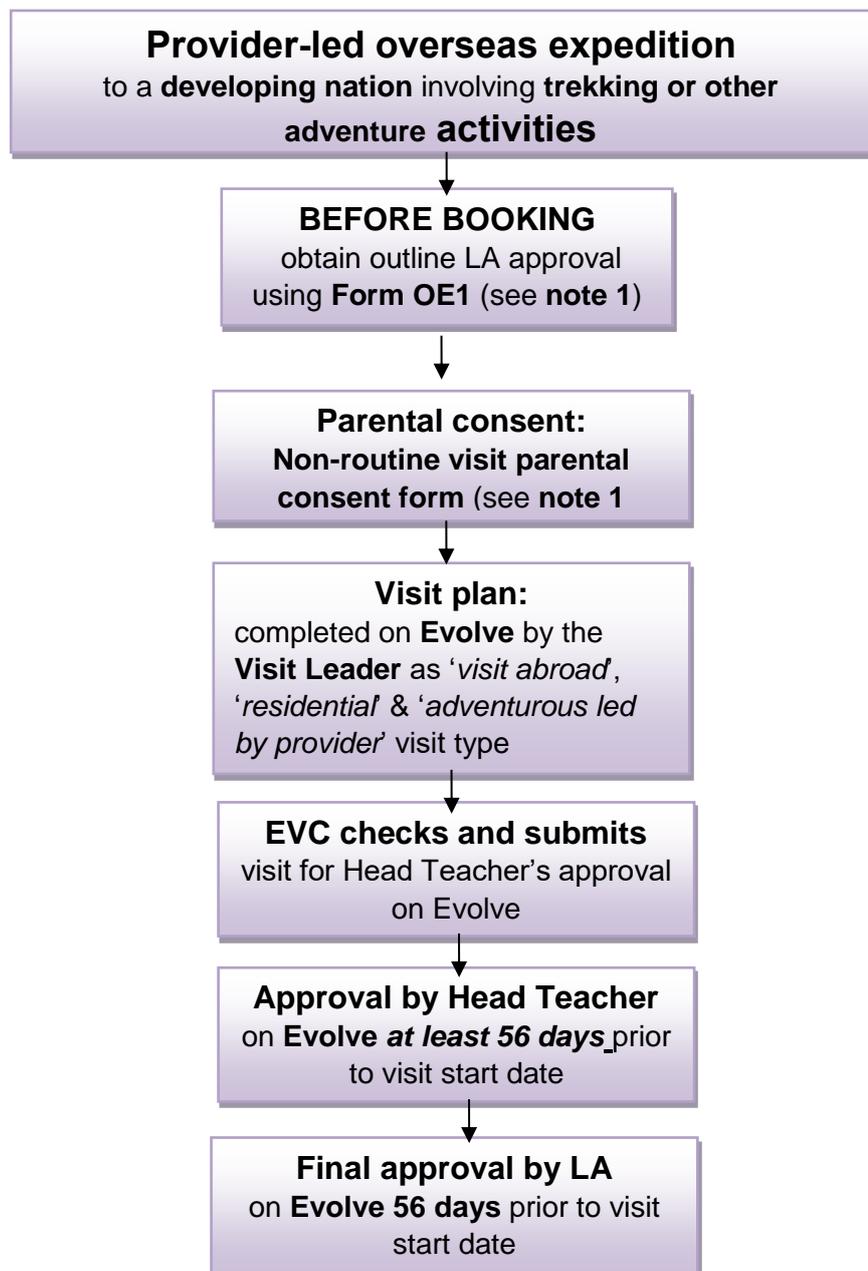

Table 3. Definition of demanding environments.

Important note: classification of locations is subjective. Visit leaders who are unsure of whether or not a location requires LA approval can seek clarification from their Educational Visits Coordinator (EVC) Or Educational Visits Adviser (EVA).

Location	Definition	Level of approval required
<p>Normal countryside</p>	<p>Areas;</p> <ul style="list-style-type: none"> • which are close to vehicle access (i.e. less than 30 minutes walking time for any group member to the nearest road from which the group could be evacuated by vehicle) and • where the environment does not have any of the features of a 'demanding environment' listed below. 	<p>Approval by Head Teacher required.</p> <p>LA approval not required.</p>
<p>Demanding environments</p>	<p>Areas where there is significant risk to the group from one or more of the following factors;</p> <ul style="list-style-type: none"> • Hazardous terrain (e.g. cliffs, very steep slopes etc.) • Remoteness (i.e. more than 30 minutes walking time from the nearest normal vehicle access point from which the group could be evacuated) • Difficult escape (i.e. places where the group could be trapped and/or where they would need specialist help to escape) • Exposure to severe weather (i.e. open to the weather and no easily accessible shelter within 30 minutes walking time for any of the group) • Open areas without clear boundaries where the group might stray into hazardous or remote terrain in poor visibility • fast flowing water, deep water, or water with strong currents (including tidal flow) where: <ul style="list-style-type: none"> <input type="checkbox"/> the group will be close to the water and there is a significant risk of someone falling in; <input type="checkbox"/> the group will be entering the water. 	<p>Approval by LA on Evolve required (following Head Teacher's approval on Evolve).</p>

Adventure activities and Field Work

A wide range of sports, challenges and skills come within the definition of 'adventurous activity'. Many involve an accepted element of risk and need to be led by competent staff with specialist training. They generally take place in the natural environment, but sometimes can be mimicked artificially in or outdoors. Courses are often organised by dedicated centres which offer multi-activity or specialist programmes as appropriate to their facilities or surroundings. Alternatively, freelance instructors can arrange activities in any suitable location.

Important note: This list is not exhaustive. Any visit leader unsure of whether or not an activity should be classified as an adventure activity should seek the advice of their Educational Visits Coordinator (EVC). Additional guidance may be issued on such activities e.g. Trampoline Parks – for these **log on to Evolve**, click **Resources** and then **Guidance**.

Fieldwork - in all locations as defined in Table 3 including:

- River studies (where people enter the water to make measurements)
 - Coastal studies, including work on beaches (even apparently safe places used by the general public can be hazardous in bad weather), sand-dunes, saltmarsh, exposed and sheltered shores, cliff areas, etc.
 - Urban studies (where learners work in unsupervised groups - groups away from permanent supervision)
 - Studies in upland areas (including hill walking)
 - Studies in wetland areas and beside lakes
 - Studies using boats on canals, rivers and lakes
 - Studies in quarries and at other rock exposures (hard hat areas)
 - Expeditions
 - remote areas in the UK
 - Studies in caves and mines (except commercially operated tours)
 - Bush craft activities
 - Forest School
-
- **Camping - standing camps, where students may be cooking and/or taking part in non-adventurous activities (this includes camps on school grounds)**
 - **Non-adventure activities – eg team building activities using equipment requiring a brief for the participants and control measures**

Section C Standard risk management procedures

This section sets out the standard risk management procedures that are followed by staff of this school/establishment when leading off site visits.

- You **must** amend the risk management procedures in this section to reflect the way that **your** visit leaders manage off site visits.
- It is important that it reflects actual practice on visits run by your school/establishment – **if it's written down then all will be expected to comply.**
- Once completed, this is the standard risk assessment for all off site visits run by your school/establishment.
- The only additional written risk assessment any visit leader would need to undertake is for risks that are **above and beyond** those set out in the standard school/establishment risk assessment.
- **For Joint Visits** - those involving one or more schools from within one County or schools from across a number of Counties **then all participating schools** must agree and sign the **Risk Management Agreement Plan for the trip.** See below

These might include trips to Llangrannog, Skiing, Sporting Events

For the **Joint Schools Skiing Trips**, the guidance notes found on Evolve in Resources and Guidance must be followed

Risk management form: All off site visits (EXAMPLE)

Significant hazards and harm which may occur	Who might be harmed?	Safety measures: <i>Measures that are in place and/or will be taken to reduce the risk to a tolerable level</i>
Crossing roads/walking along pavements	Students	Brief children of conduct expected of them when walking/crossing roads Ensure staff are placed at front, middle and rear of children. Students to walk in pairs or single file. Members of staff to choose safe place to cross roads (if not using recognized pedestrian crossing) 2 members of staff to stand in road with children walking between.
Weather conditions	Students Staff	Check weather forecast prior to visit Brief students/parents of possible weather conditions prior to visit Ensure appropriate clothing/footwear is worn or taken bearing in mind Summer and Winter conditions Check with parents that it is OK to put sun cream on children Take spare clothes for children not suitably prepared Ensure emergency shelter is taken if in demanding environment
Scientific demonstrations at science venues	Students	School/establishment staff to ensure that students follow instructions of qualified staff at venue and to adhere to rules regarding proximity
Trips, slips and falls	Students Staff	Ensure appropriate footwear is worn and shoelaces tied Brief students/staff of possible areas where trips, slips and falls may occur Ensure First Aid kit is carried by visit leader Ensure any medical conditions of pupils are disclosed prior to visit
Transport to and from venues	Students Staff	Ensure recognized LA bus company is used Ensure seat belts are worn at all times and are checked by visit leader

Stranger danger	Students	Ensure children are made aware not to walk off with an unknown adult unless given specific instruction by visit leader. Regular head counts Supervised at all times, including appropriate supervision when toileting
Beach/coastal visits - washed into sea caught by rising tide	Students Staff	Check tide times before embarking on trip Check weather forecast for day of visit Brief students and staff not to go near water's edge
Accident/emergency	Students Staff	Follow emergency procedure guidelines carried by visit leader Ensure suitable staff helper (in addition to visit leader) understands emergency procedure Brief children of what to do in an emergency and how to summon help
Getting lost/separated from group (outdoor venues)	Staff	Regular headcounts Ensure students are to stay in small groups Ensure staff accompany students at all times Brief students to stay put if lost or separated and to shout for attention Ensure all students know name of visit leader, staff and school name
Getting lost/separated from group (indoor venues)	Staff	Regular headcounts Ensure students are to stay in small groups Ensure staff accompany students at all times Brief students to stay at venue if lost or separated never to leave the premises Brief children to make their way to reception Ensure all students know name of visit leader, staff and school name
Medical Conditions	Students	Ensure medical conditions are disclosed prior to visit Ensure consent is given for staff member to administer medicine if required Ensure medicines, epi pens, inhalers, etc. are carried by visit leader Ensure at least one staff member/adult volunteer knows how to administer medicine if required.
Walking in local countryside	Students	Brief students and helpers of proposed route Brief students of appropriate behaviour Ensure member of staff at front, middle and rear of students Ensure correct clothing and footwear is used

<p>Farm Visits Machinery, vehicles, risk of allergy, contamination, bites, kicks, etc</p>	<p>Students Staff</p>	<p>Brief students to stay out of way of machinery/vehicles and to follow supervision by farm staff Ensure parents have informed staff prior to visit of possible allergies Ensure medicines are carried by visit leader (if required) Brief children not to touch animals unless safe to do so Ensure students/staff are made aware of farm rules, reinforced by farm staff Ensure all eating is done in hygienic locations Ensure children wash hands before eating Make sure First Aid kit is carried</p>
<p>Castle visits High walls – falls Steep, dark stairs - falls</p>	<p>Students Staff</p>	<p>Visit leader knows venue and specific areas of risk in the castle (following recce) Brief other staff Supervise students appropriately</p>

Additional notes: Standard risk management procedures are reviewed for each educational visit. Old versions are kept on file.

Emergency action flowchart for Visit Leaders

This flowchart must be carried by all visit leaders taking part in the visit

Trial your emergency procedures from time to time to check that they work.

Do not speak to the media – direct all media enquiries to Ceredigion Press Office:
pressoffice@ceredigion.gov.uk / 01545 570881

Give first aid if necessary. Make sure the rest of the group are accounted for and looked after.

Call your school/establishment Base Emergency Contact school/establishment number (during school/establishment hours) Base Emergency Contact's number (out of school/establishment hours). Answer Base Emergency Contact's questions about the incident (as set out on Form 5 and 6).

In the event of a Critical Incident or serious incident that can't be dealt with by yourself and where your Base Emergency Contact is not contactable **contact the LA:**

- **Office hours:** 01545 570881
- **Out of office hours:** 01970 625277 or 01239 851604

Follow instructions given by emergency services (if applicable) and / or Base Emergency Contact
Continue to monitor group to minimise risk of any further incidents
Stay near a phone to handle further calls from Emergency services or Base Emergency Contact

Critical Incident Management Roles and Responsibilities

Roles and responsibilities - educational visit leader

Educational visit leader - initial response	Named person responsible
Ascertain the whereabouts of all students and staff. Ensure the emergency services are aware of anyone who is unaccounted for.	
Contact the Headteacher (or nominated emergency contact) to ask for support. Remember to clarify international dialling codes if abroad.	
Establish a basic overview of the incident. Ensure that accurate, factual information is available for those arriving on-scene.	
Establish arrangements to meet the immediate welfare needs of pupils and staff.	
Identify students with Special Educational Needs (SEN) and anyone who may be particularly vulnerable. Inform the emergency services of any students or staff with known medical conditions or requirements.	
Ensure that a member of staff accompanies any students to hospital but remember the safety of everyone else, even if unharmed. Do not leave anybody on their own and try to maintain an adequate adult / pupil ratio.	
Ensure other staff are briefed (and given tasks) on a regular basis. Ask staff to maintain a log of actions taken and decisions made.	
Keep a log of important information, actions taken, and decisions made.	
<p>Remember to retain any important items / documents. E.g.:</p> <ul style="list-style-type: none"> ▪ Contact details ▪ Consent forms (including medical and next-of-kin details) ▪ Maps ▪ Tickets ▪ Insurance policies ▪ Proof of identity ▪ Passports (if abroad). 	
Avoid making comments to the media	
Do not discuss legal liability with others.	

Educational visit leader - ongoing response	Named person responsible
Continue to assess any risks to students and staff. Take action to prevent further harm if necessary.	
Act as the main contact for co-ordination of the response and work closely with the headteacher / nominated emergency contact. Continue to liaise with the emergency services and other organisations.	
Continue to brief staff and allocate tasks on a regular basis.	
Monitor and reassure students. Make arrangements for the longer-term welfare needs of students and staff.	
Consult the headteacher (or nominated emergency contact) about arrangements for notifying parents / carers and reuniting them with their children.	
Liaise with the tour operator / provider, if appropriate.	
Try to obtain the names and contact details of any witnesses to the incident. If possible, obtain a written account from them.	
If abroad, contact the Foreign & Commonwealth Office for support.	
If abroad, check your insurance policy and seek insurance / legal advice before incurring any substantial expense (e.g. medical treatment).	
<p>Retain any receipts / documentation for insurance purposes. E.g.:</p> <ul style="list-style-type: none"> ▪ Records of expenditure ▪ Medical certificates / hospital admission forms ▪ Police incident number. 	
Check that everyone who should have been notified of the incident has been informed. Remember that information given must be limited until the facts are clear and all parents / carers have been notified.	
Ask the headteacher (or nominated emergency contact) to assist with developing a media statement, with support from other organisations as appropriate. Devise an ongoing strategy for dealing with media requests.	
Ask students and staff to avoid speculation when talking to the media. Try to prevent the spread of misinformation (especially through the use of mobile phones).	

Educational visit leader - recovery	Tick / sign / time
Please refer to appendix 1 for providing welfare arrangements and post incident support after the initial emergency response.	

Complete any necessary forms / paperwork.

Roles and responsibilities – Base Contact

Co-ordination - initial response	Named person responsible
Establish a basic overview of the incident.	
<p>If the incident has occurred on an educational visit:</p> <ul style="list-style-type: none"> ▪ Liaise with the educational visit leader on a regular basis ▪ Consider sending extra staff to support the educational visit leader ▪ Discuss with the educational visit leader the arrangements for notifying parents / carers ▪ Consider how parents / carers and students will be reunited. 	
<p>Wherever possible, assign members of staff to relevant School Emergency Management Team (SEMT) roles:</p> <ul style="list-style-type: none"> ▪ Communications ▪ Log-keeping ▪ Media management ▪ Resources ▪ Welfare. ▪ Business continuity 	
<p>Remember to:</p> <ul style="list-style-type: none"> ▪ Allocate tasks amongst the SEMT ▪ Ensure that staff are clear about their designated responsibilities ▪ Establish the location and frequency of SEMT / staff briefings ▪ Ask staff to maintain a log of actions made and decisions taken ▪ Assign a log-keeper to provide administrative / secretarial support. 	
Inform all other staff of the incident. Ensure staff are briefed (and given tasks) on a regular basis.	
Work closely with other organisations (e.g. emergency services, local authority) as required. Provide accurate and factual information to those arriving on-scene.	
Ascertain the whereabouts of all students, staff and visitors. Ensure the emergency services are aware of anyone who is unaccounted for.	
Inform governors as appropriate.	
Decide the most appropriate method of contacting relatives of students / staff affected by the incident. If the matter is very serious (such as a fatality) liaise with the Police about informing next of kin.	
Act as the main contact for co-ordination of the response. Continue to liaise with the emergency services and other organisations	
Continue to allocate tasks amongst the SEMT. Work closely with the SEMT to co-ordinate their actions and help to resolve any complications	

or difficulties that arise.	
<p>Ensure that regular briefings are given to:</p> <ul style="list-style-type: none"> ▪ Staff ▪ Students ▪ Parents / carers ▪ Governors <p>Extended services.</p>	
Check that everyone who should have been notified of the incident has been informed.	
In the event of a serious injury or fatality, report the incident to Ceredigion Health and Safety Officers. They will contact Health & Safety Executive (HSE) as soon as possible.	
Seek advice on legal and insurance issues, if appropriate.	

Co-ordination – recovery	Named person responsible
Act as the main contact for the recovery process. Continue to allocate tasks amongst the SEMT and other staff.	
Ensure that post incident support is available to all who may require it	
Work closely with the ‘resources’ role in organising remedial work to property and liaise with insurance companies, salvage specialists and loss adjusters as appropriate.	
Complete any necessary forms / paperwork.	
Arrange a debrief for school staff involved in the response.	
Represent the school at other debriefs which may take place	
Initiate a review of the school emergency plan.	

POST INCIDENT SUPPORT

Post incident support - assistance for pupils and parents / carers	Named person responsible
Introduce a strategy to monitor students and staff who may be particularly affected by the incident. Ensure that staff are aware of this strategy.	
Offer students and staff the opportunity for psychological support and counselling. Ensure staff and students know that support is available and arrange access to these services as necessary.	
Consider which students need to be briefed, how, and by whom.	
Provide opportunities for students to discuss their experiences (e.g. promoting discussion during class, arranging a special lesson). Do not discourage students from talking about their experiences.	
Consider providing relevant books in the school library.	
Arrange for a member of staff to visit those affected (at home or at hospital). Ask for consent from parents / carers before doing this.	
Make arrangements to express sympathy to those who have been hurt. Consider encouraging pupils to send cards / messages to those affected.	
Be sensitive about the demands practical issues might make on pupils (e.g. deadlines for coursework, imminent exams).	
<p>Send a letter to parents / carers with information on:</p> <ul style="list-style-type: none"> ▪ The nature of the incident ▪ How their child was notified of the incident ▪ Arrangements for support organised by the school ▪ Who to contact if they would like additional support. 	
Maintain regular contact with parents / carers.	
Do not make public any sensitive / confidential information about individuals unless consent has been given by students and parents / carers.	
Consider organising an event for parents / carers to discuss any issues or concerns they might have.	
If students who were particularly affected by the incident leave school (e.g. transferring from primary to secondary education) consider, sensitively and confidentially, notifying the headteacher of the new school.	

Post incident support - general actions	Named person responsible
Request support from educational professionals trained in psychological debriefing, critical incident stress debriefing, bereavement counselling and trauma management if appropriate.	
<p>Consider requesting support from other organisations. E.g.:</p> <ul style="list-style-type: none"> ▪ Teacher Support Network ▪ Samaritans ▪ Cruse Bereavement Care. 	
Manage any distress that could be caused by ongoing Police enquiries, legal proceedings and media attention.	
Cancel or rearrange any events which are inappropriate.	
Plan appropriate support for staff to enable them to cope with any questions or discussions students might have about the incident.	
Ensure that any new roles given to staff do not place too great a burden. Over time, staff may need to be relieved of any additional responsibilities given to them.	
Ensure that new staff are aware of the incident, which students were involved and how they were affected.	
Consider any actions which can be taken to support the local community if affected by the incident (e.g. fund raising).	

Roles and responsibilities - communications

Communications - initial response	Named person responsible
Dedicate telephone lines for incoming and outgoing calls. Arrange extra support at reception if necessary.	
Record a new message on the school answer phone if appropriate. Consider setting it to 'answer only' mode.	
Support staff with any communication needs they may have.	
Inform those involved in the response of any communication difficulties (e.g. poor mobile signal in the area).	

Communications - ongoing response	Named person responsible
<p>Ensure regular information is provided to:</p> <ul style="list-style-type: none"> ▪ Students ▪ Parents / carers ▪ Governors ▪ Extended services. 	
Consider the most effective arrangements for contacting students and parents / carers. Ensure that records of calls made to parents / carers are maintained.	
<ul style="list-style-type: none"> • Do not speak to the media – direct all enquiries to LA press officer 	
Update the school answer phone on a regular basis.	
<p>Liaise with the 'co-ordination' role in sending a letter home to parents / carers. This could include information on:</p> <ul style="list-style-type: none"> ▪ What has happened ▪ How their child was involved ▪ The actions taken to support those involved ▪ Who to contact if they have any concerns or queries. 	
In the event of a major emergency, seek support from the local authority; they may be able to establish a helpline for enquiries from the public.	

Communications – recovery	Named person responsible
Provide regular briefings to students and parents / carers.	

Roles and responsibilities - log-keeping

Log-keeping - initial response	Named person responsible
Attend SEMT briefings. Keep a log of important information, actions taken, and decisions made.	
Ensure that each member of staff keeps an incident log.	

Log-keeping - ongoing response	Named person responsible
Provide administrative / secretarial support to the SEMT.	
Keep accurate records of anyone admitted to hospital or treated by the emergency services.	

Log-keeping – recovery	Named person responsible
Collate all incident logs, making copies if necessary.	
Ensure records related to the incident are archived securely but make these available to authorised staff for future reference (e.g. in the event of a debrief or enquiry).	

Roles and responsibilities - media management

Media management - initial response	Named person responsible
<ul style="list-style-type: none"> Do not speak to the media – direct all enquiries to LA press officer 	
<p>Seek support from other organisations (e.g. emergency services, local authority) in responding to media requests.</p>	
<p>Ensure media access to the site, staff and students is controlled. Do not let the media onto the school site or give them access to students unless there is a specific reason for doing so and permission / consents are in place. Ask for support from the Police if necessary.</p>	
<p>Designate a specific area for the media away from the main entrance to the school, so they do not prevent or intimidate people entering and leaving the site.</p>	
<p>Develop a brief media statement (designed to provide reassurance) on behalf of the school. Information given must be limited until the facts are clear and all parents / carers have been notified.</p>	
<p>Arrange for an appropriate member of staff to act as a spokesperson (preferably this person will have received media training). If a suitable spokesperson is unavailable the Police or local authority may be able to undertake this role.</p>	
<p>Be prepared to be interviewed by the media.</p>	

Media management - ongoing response	Named person responsible
Devise an ongoing strategy for responding to media requests. Work closely with the media to establish what information they require and when their deadlines are.	
Gather information from the SEMT, emergency services and other organisations as appropriate.	
Provide regular statements to the media. Ensure each message conveys an accurate, consistent and reassuring message. All press releases should be checked and agreed by the emergency services (and other organisations as appropriate).	
Advise staff on where to direct media enquiries. Ask staff, students and parents / carers to avoid speculation when talking to the media.	
Try to prevent the spread of misinformation (especially through the use of mobile phones).	

Media management – recovery	Named person responsible
Keep the media informed of developments in the recovery process. Present a positive and reassuring image to the public.	
Be aware of media interest in memorials or anniversaries of the event.	

Roles and responsibilities - resources

Resources - initial response	Named person responsible
<p>Ensure the emergency services can access / egress the school without hindrance. Consider sending a member of staff to the school entrance to prevent people restricting access by parking in unsuitable places.</p>	
<p>Work with other staff and the emergency services to control access to the school:</p> <ul style="list-style-type: none"> ▪ Advise staff and governors that they might have to prove their identity before the emergency services will grant them access. ▪ Provide authorised visitors with identification badges and ensure they sign-in and sign-out. ▪ Ensure that media access to the site is controlled. 	
Resources - ongoing response	Named person responsible
<p>Establish safe and secure areas to assist the response. E.g.:</p> <ul style="list-style-type: none"> ▪ SEMT briefing room ▪ Briefing area for parents / carers ▪ Media briefing room. 	
<p>Work closely with staff and other organisations to provide access to facilities and resources as required. This may involve opening or closing parts of the school.</p>	
<p>Ensure the school site is secure (e.g. provide temporary fencing around damaged areas, arrange for broken windows to be boarded).</p>	

Roles and responsibilities - welfare

Welfare - initial response	Named person responsible
Establish arrangements to meet the welfare needs of pupils, staff, parents / carers, visitors and responders.	
Identify students who may require additional support: <ul style="list-style-type: none"> ▪ Those with Special Educational Needs (SEN) ▪ Those with medical needs ▪ Anyone who may be particularly vulnerable or badly affected (e.g. those who were involved in, or witnessed, the incident). 	
Welfare - ongoing response	Named person responsible
Assess the welfare and emotional needs of all those involved. Continue to monitor and support those who may be particularly affected by the incident.	
Make arrangements for reuniting students with their parents / carers. Ensure that a member of staff is present to meet and greet them.	
In groups as small as practicable, inform students about the incident. Consider the best way to convey bad news. In the event of a tragic incident, consider seeking support from educational psychologists about the best way to inform and support students.	
Where possible, every child should to be spoken to, and asked if they are all right, before they leave school.	
Take account of religious and cultural factors. Consider contacting religious leaders within the community for support.	
Ensure that staff take regular rest periods.	
Welfare - recovery	Named person responsible
