September 2023

Dear Parents/Guardians

I hope that the first couple of weeks of Year 10 have gone smoothly for your child and that they have settled back into the routine of school. I have visited many lessons over the last few weeks and have been impressed with their attitude to learning in this very important year.

As a pastoral team I am pleased to let you know that we have a new member of staff working with us. Ms Goode has joined the team as an Assistant Head of Year. She will be working closely with myself to ensure that students are well supported and focused on their studies.

This year will be very busy with the start of the GCSE courses, those of you who attended the curriculum evening will have received a booklet with all of the important information and dates needed for the year ahead, we have also sent these home with any student whose parent wasn't able to attend the evening. If you do not receive one, please contact the school and we will get one to you. Please also keep an eye on ParentMail as this is how we will share information and updates with you. The students should also be checking the Year 10 Team regularly as I use this platform to share revision techniques, exam updates and careers information with them directly.

UPCOMING EVENTS

Pennaeth / Headteacher:- Ms Mair Hughes

It was great to meet so many of you in the recent welcome evening, I hope you found this useful. We are keen to involve parents and guardians as much as we can in these final two important years of compulsory education.

Ms Goode and I look forward to working closely with you this year and if you require any more information or have any questions, then please don't hesitate in contacting the school.

Yours faithfully
