September 2023

Dear Parents/Guardians

I hope that the first couple of weeks of Year 11 have gone smoothly for your child and that they have settled back into the routine of school. I have visited many lessons over the last few weeks and have been impressed with their attitude to learning in this very important year.

As a pastoral team I am pleased to let you know that we have a new member of staff working with us. Ms Hill has joined the team as an Assistant Head of Year. She will be working closely with myself to ensure that students are well supported and focused on their studies.

This year will be very busy with assessments and exams, those of you who attended the curriculum evening will have had the information booklet with all of these dates in it, we have also sent this home with any student whose parent wasn't able to attend the evening. If you do not receive one, please contact the school and we will get one to you. Please also keep an eye on ParentMail as this is how we will share information and updates with you. The students should also be checking the Year 11 Team regularly as I use this platform to share revision techniques, exam updates and careers information with them directly.

It was great to meet so many of you in the recent 'Meet the Form Tutor' event, I hope you found this useful. We are keen to involve parents and guardians as much as we can in this final and very important year of compulsory education, and we will be revisiting the goals that the students set with them throughout the coming year in form time.

Ms Hill and I look forward to working closely with you this year and if you require any more information or have any questions, then please don't hesitate in contacting the school.

Yours faithfully
